

## Pharmacy Technician

### Course Description

The mission of the Pharmacy Technician program is to provide the technical instruction and skill development for the student to become gainfully employed in the pharmacy field.

The purpose of the Pharmacy Technician program is to provide learning experiences which enable graduates to obtain basic competencies needed for employment as a Pharmacy Technician in either the institutional or retail setting.

A technician is an individual who, under the supervision of a pharmacist, assists in the performance of activities of the pharmacy department not requiring the professional judgment of a pharmacist. Technicians must be appropriately trained for functions performed.

This Pharmacy Technician program is accredited by the American Society of Health System Pharmacists.

For information on placement and salary expectations, please contact Student Services.

### **About the Center...**

The Tennessee Technology Center at Murfreesboro is located near the geographical center of the state, just off of Interstate 24 and the intersection of State Highway 96 and 99. The Center is governed by the Tennessee Board of Regents and is accredited by the Commission of the Council on Occupational Education.

The Center offers a variety of programs to fill demonstrated needs in the local community. Our students come from Rutherford and all the other surrounding counties. The instructors are all professionals in the fields in which they teach and several have been recognized statewide and nationally.

Full-time preparatory classes are scheduled five days a week for six hours a day. In addition to full-time day classes, supplemental classes are offered each term. A new evening schedule is prepared for each term.

The calendar of the Tennessee Technology Center at Murfreesboro is based on three equal trimesters that include a minimum of 216 instructional days. The three trimesters are:  
Fall—September, October, November, December  
Spring—January, February, March, April  
Summer—May, June, July, August

### **-STATEMENT OF ASSURANCE-**

As set forth in its student catalog, Tennessee Technology Center at Murfreesboro does not discriminate on the basis of race, color, creed, national origin, gender, religion, disability, age, veteran status, or citizenship status. The Assistant Director, Judy Henegar, at the TTCM is the Affirmative Action Officer and Title IX Coordinator for the Center. Chris Ayers, Coordinator of Student Services, is the contact for TTCM students with disabilities.
